Y3 Trip to Oxenwood

Year 3 had a fantastic day out at the Oxenwood Outdoor Education Centre on Friday 5th May. The class were undecided on which was the best activity as they had so much fun doing all of them! Throughout the day the children got to try archery (I think we have a few budding Robin Hoods!), orienteering (no one got lost!), fire lighting and cooking and finally shelter building (unfortunately quite a few got wet in their shelters!). The children were excellent ambassadors for the school and the staff at Oxenwood were very impressed by their great attitudes and team work skills. We must finish by saying a huge thank you to Miss Offer and all the parents who came along to help out!
