## Celebration Assembly Book

These are the children who were added to the Celebration book following the assembly:

**Year 6:** Izzy - for listening to advice and trying hard to achieve any target set! What an excellent learner!

**Year 5:** Olivia - for her amazing attitude to learning and demonstrating resilience when she comes across a challenge.

**Year 4:** Scarlett - for a fantastic piece of story writing.

**Year 3:** Heidi - for always working hard in lessons.

**Year 2:** Amy - for some amazing writing. She even used a subordinating conjunction or two! Well done.

**Year 1:** Jessica - for fantastic enthusiasm towards school and for always challenging herself with any task.

**Reception:** Blossom - for having such brilliant learning plans where she always sets herself a challenge.

Congratulations to you all - well done.

## Behaviour on the Bus...

Unfortunately, the bus driver has reported that there has been some bad behaviour on the bus recently. A few children have been unbuckling their seatbelts and moving around the bus and standing on the seats! We have spoken to the children and ask that all parents of children who use the bus, reiterate the importance of remaining in their seats and behaving properly. If this continues, the children involved will not be able to use the bus in future. Thank you.

## Values for Life

The following children have been awarded a rosette for displaying this term's virtue - Trust:

**Junior nominee** - Corey (Y5) you can always trust him to be doing the right thing.

**Infant nominee** - Indianna (Y1) for always being a reliable and trustworthy friend to others.

## Staff News

As you are aware, Mrs Mundy has been our 'Acting' Deputy Head from January this year. I'm sure you would like to join us in congratulating her, as this has now been made permanent, effective from 1<sup>st</sup> September.

## School Uniform

Following feedback from parents regarding some quality and availability issues, we have decided to offer another uniform supplier to run alongside Tesco.

They are called 'Brigade' and several local schools use them. They are in the process of setting up a website for you to order from, which we will forward to you once it is finished.

There are some extra items, like logo'd jacket, and some basic items are also available, eg trousers/ skirts.

You can also order PE kit from there - again, parents have asked for a 'uniform' approach. As a reminder, the uniform for PE is:

T shirt or Polo shirt - white or navy (preferably logo)

Navy sweatshirt or fleece - with logo (not hoodies)

Navy shorts/ skorts

Navy jogging bottoms or leggings (All of these items except the leggings are available from 'Brigade')

The items are ordered online and delivered to your home - £3.95, or free if over £50 (get a group to order together?)

Classes 3 & 5 are having Squash coaching from a professional coach, as an extra PE session a week for this term.

## PPSA News

*Sorry to share, but we had to cancel the Race Night as we had not sold enough tickets. A huge thanks to the committee for their hard work in bringing it together. Any money received will be refunded.*

*Pleased to share that money raised from previous events has provided some much needed playground games. Miss Holness took some fab photos so you can see the benefits of fundraising. We are now fundraising for a large playground structure which we know will benefit all children in the school.*

*We are also going to support the Year 6 leavers' party. We wish them great fun and happy memories!*

*Many thanks, Pauline  
PPSA Chair*
